Greenfest Philly educates the public about steps they can take to be more sustainable in their daily lives. To assist with that, we will be accepting all electronic items such as Cell Phones, Personal Computers, Laptops, Printers, Wires, and much more. Please visit our [materials accepted page](#) for a full list. We will not be accepting magnetic tape at this event. Due to the high cost of recycling television sets Clean Air Council will be accepting donations to help pay for the safe removal of the lead inside.
